

We serve you

Our workshops are designed to help build financial support for the ministries that are of the highest priority to your local church family. This is timely, practical information that simply expands the menu of options for gifting to your church.

Attendees will learn about the many ways that a little planning can plant seeds of faith for their children and beyond.

Take the first step...

To arrange for a workshop date, please contact the Foundation office at 800-332-8238.

Our Presenters

Workshops are presented by either David P. Atkins, Executive Director of the Missouri United Methodist Foundation or Linda Mary Neal, Representative for the Foundation. Both Mr. Atkins and Ms. Neal are licensed attorneys and members of the Missouri Bar.

Planned Giving Workshops

Planting seeds for your local church and beyond

Foundation workshops provide an excellent opportunity for you to start or renew the conversation on planned giving with your church family.

children's programs church camps music ministry
church campus technology support **community outreach**
pastoral education & training youth ministry
scholarships disaster assistance training **Volunteers in Mission**

Help your church family to continue their support of these and other ministries beyond their lifetime.

Workshops can be tailored to the ages and lifestyles of your church family.

Planning to Make a Difference

"I want to be sure this program will continue."

Basic estate planning tools and how to use them to benefit your own family and your favorite ministries.

The Best Gifts

"What gift will be easiest for me?"

Discover how to continue your support of the programs you love, in the way most appropriate for you. An excellent follow-up to *Planning to Make a Difference* or for those already familiar with estate planning techniques.

Life Planning for Young Families

"Why does a young couple need a will?"

Fundamental financial planning concepts, risk and debt management ideas, and how to build Christian stewardship into your life.

Legacies of Light

"Show me how CGAs work."

Missourians making a difference! Personal stories of how a Charitable Gift Annuity can provide increased income with reduced taxes and ultimately benefit your church or a specific ministry.
